The main focus of the course will be on General English (20 lessons per week or 15 hours per week.) The course will clearly focus on improving your confidence when speaking and increase your range of vocabulary and grammar. After lessons are over you can enjoy sightseeing or just simply relax by the waterfront or on the beach. All the course materials will be provided by your teacher and transport for the excursions is included in the price. You will also receive a certificate at the end of your course detailing the course you attended and the level of English you have achieved. Immerse yourself in the English language by choosing this course option.
